12. What you need to know about the V5C and your responsibilities

The registered keeper (not necessarily the owner) is responsible for making sure the vehicle is registered, taxed and insured.

You will be fined if our records show that the vehicle is not taxed, insured or no SORN has been made.

- you can use the V5C to tax your vehicle if you do not have the renewal reminder (V11 or V85/1) online at www.gov.uk/vehicle-tax or at a Post Office® that deals with vehicle tax
- if you decide not to tax or insure your vehicle you must keep the vehicle off the road and make a SORN
- for information on Stay Insured go to www.gov.uk/vehicle-insurance

If you sell/transfer the vehicle you must notify DVLA online at www.gov.uk/sold-bought-vehicle or fill in either section 6 or 9 of this V5C and send to DVLA.

If you permanently export the vehicle fill in section 11 and send to DVLA.

Failure to tell DVLA of any changes may result in a fine or prosecution.

If you scrap your vehicle

You should take the vehicle to an Authorised Treatment Facility (ATF) and they should issue a Certificate of Destruction (CoD). If you do not receive a CoD immediately please fill in section 9 of the V5C and send to DVLA, on receipt we will issue an automatic refund of vehicle tax (if applicable).

If you have broken up the vehicle yourself, you must either tax it or tell us you are keeping it off the road by making a SORN, until you take it to an ATF or tell us you no longer have it.
